**An exciting look at the future of German graphic design, presenting the best work of new and emerging designers.**

German graphic design has undergone a dramatic metamorphosis in recent years. Young professionals and students have been demonstrating heightened technical skills and strong, individualistic styles. The emerging design generation has broken with cultural and geographical boundaries, entering the international arena and competing with cutting edge design icons worldwide. As the scope and depth of this exciting development has been under recognised, Neuland documents the future of German graphic design by presenting the best work of up-and-coming designers and design studios. This book compiles over 400 pages of exciting ideas, never before seen experiments, self-initiated projects and commercial work from Germans working and studying at home and abroad, as well as non-Germans working and studying in Germany.

Designers included: Andreas Wesle, Anthony Salvador, Bank, Büro International London, C100, CatK, Christian Heinz, Conzatti & Helfenstein, Dirk Wachowiak, Feigenbaumpunkt, Felix Weigand, FI@33, Fliegende, Heimann und Schwantes, Herr Dell, Hoffmann Skala, ICCF, Julia Müller, Julia Rompe, Jung und Wenig, Katja Gretzinger, Katrin Schacke, Kekiretta, Kid Yeah!, Kraenk, Liesenfeld und Rapp, Lowerground, Manuel Buerger, Mario Wagner, Matthias Kantereit, Michael Satter, Michael Seibert, Nadine Hilbig, Node Berlin, Pixelgarten, PurpleHaze Studio, Rainbowmonkey, Rasmus Giesel, Rebootlab, Sebastian Onufszak, Silja Goetz, Stapelberg und Fritz, Stefanie Schwarz, StudioHeyHey, Thibaut Tissot, Tobias Becker, twopoints.net, Typolabor, U9 visuelle allianz, Von b und c.
